

## **Environmental Policy Statement**

The organisation will meet and where possible exceed the legal requirements and other requirements to which the organisation subscribes, related to its environmental aspects.

Endeavour to minimise the environmental impact of its operations and to reduce the effects of noise, dust, disturbance and inconvenience.

Develop management processes, operational procedures, etc to prevent pollution.

Make efficient use of energy resources, taking appropriate opportunities to reduce waste and promote recycling and the use of recyclable materials.

Implement a continual improvement process by assessing and monitoring its environmental performance against specific objectives and targets relevant to its business activities.

Encourage initiatives that enhance its environmental performance.

Work with waste producers, subcontractors and suppliers to improve their environmental performance.

Where appropriate, consult with the local community on environmental issues.

It is the responsibility of all persons working for or on behalf of Premier Waste Services (UK) Ltd to support and apply those sections of the organisations environmental policy and procedures that relate to their activities.

Appropriate support and training will be given to staff to ensure that they are able to fulfil the commitments given in this statement policy.
